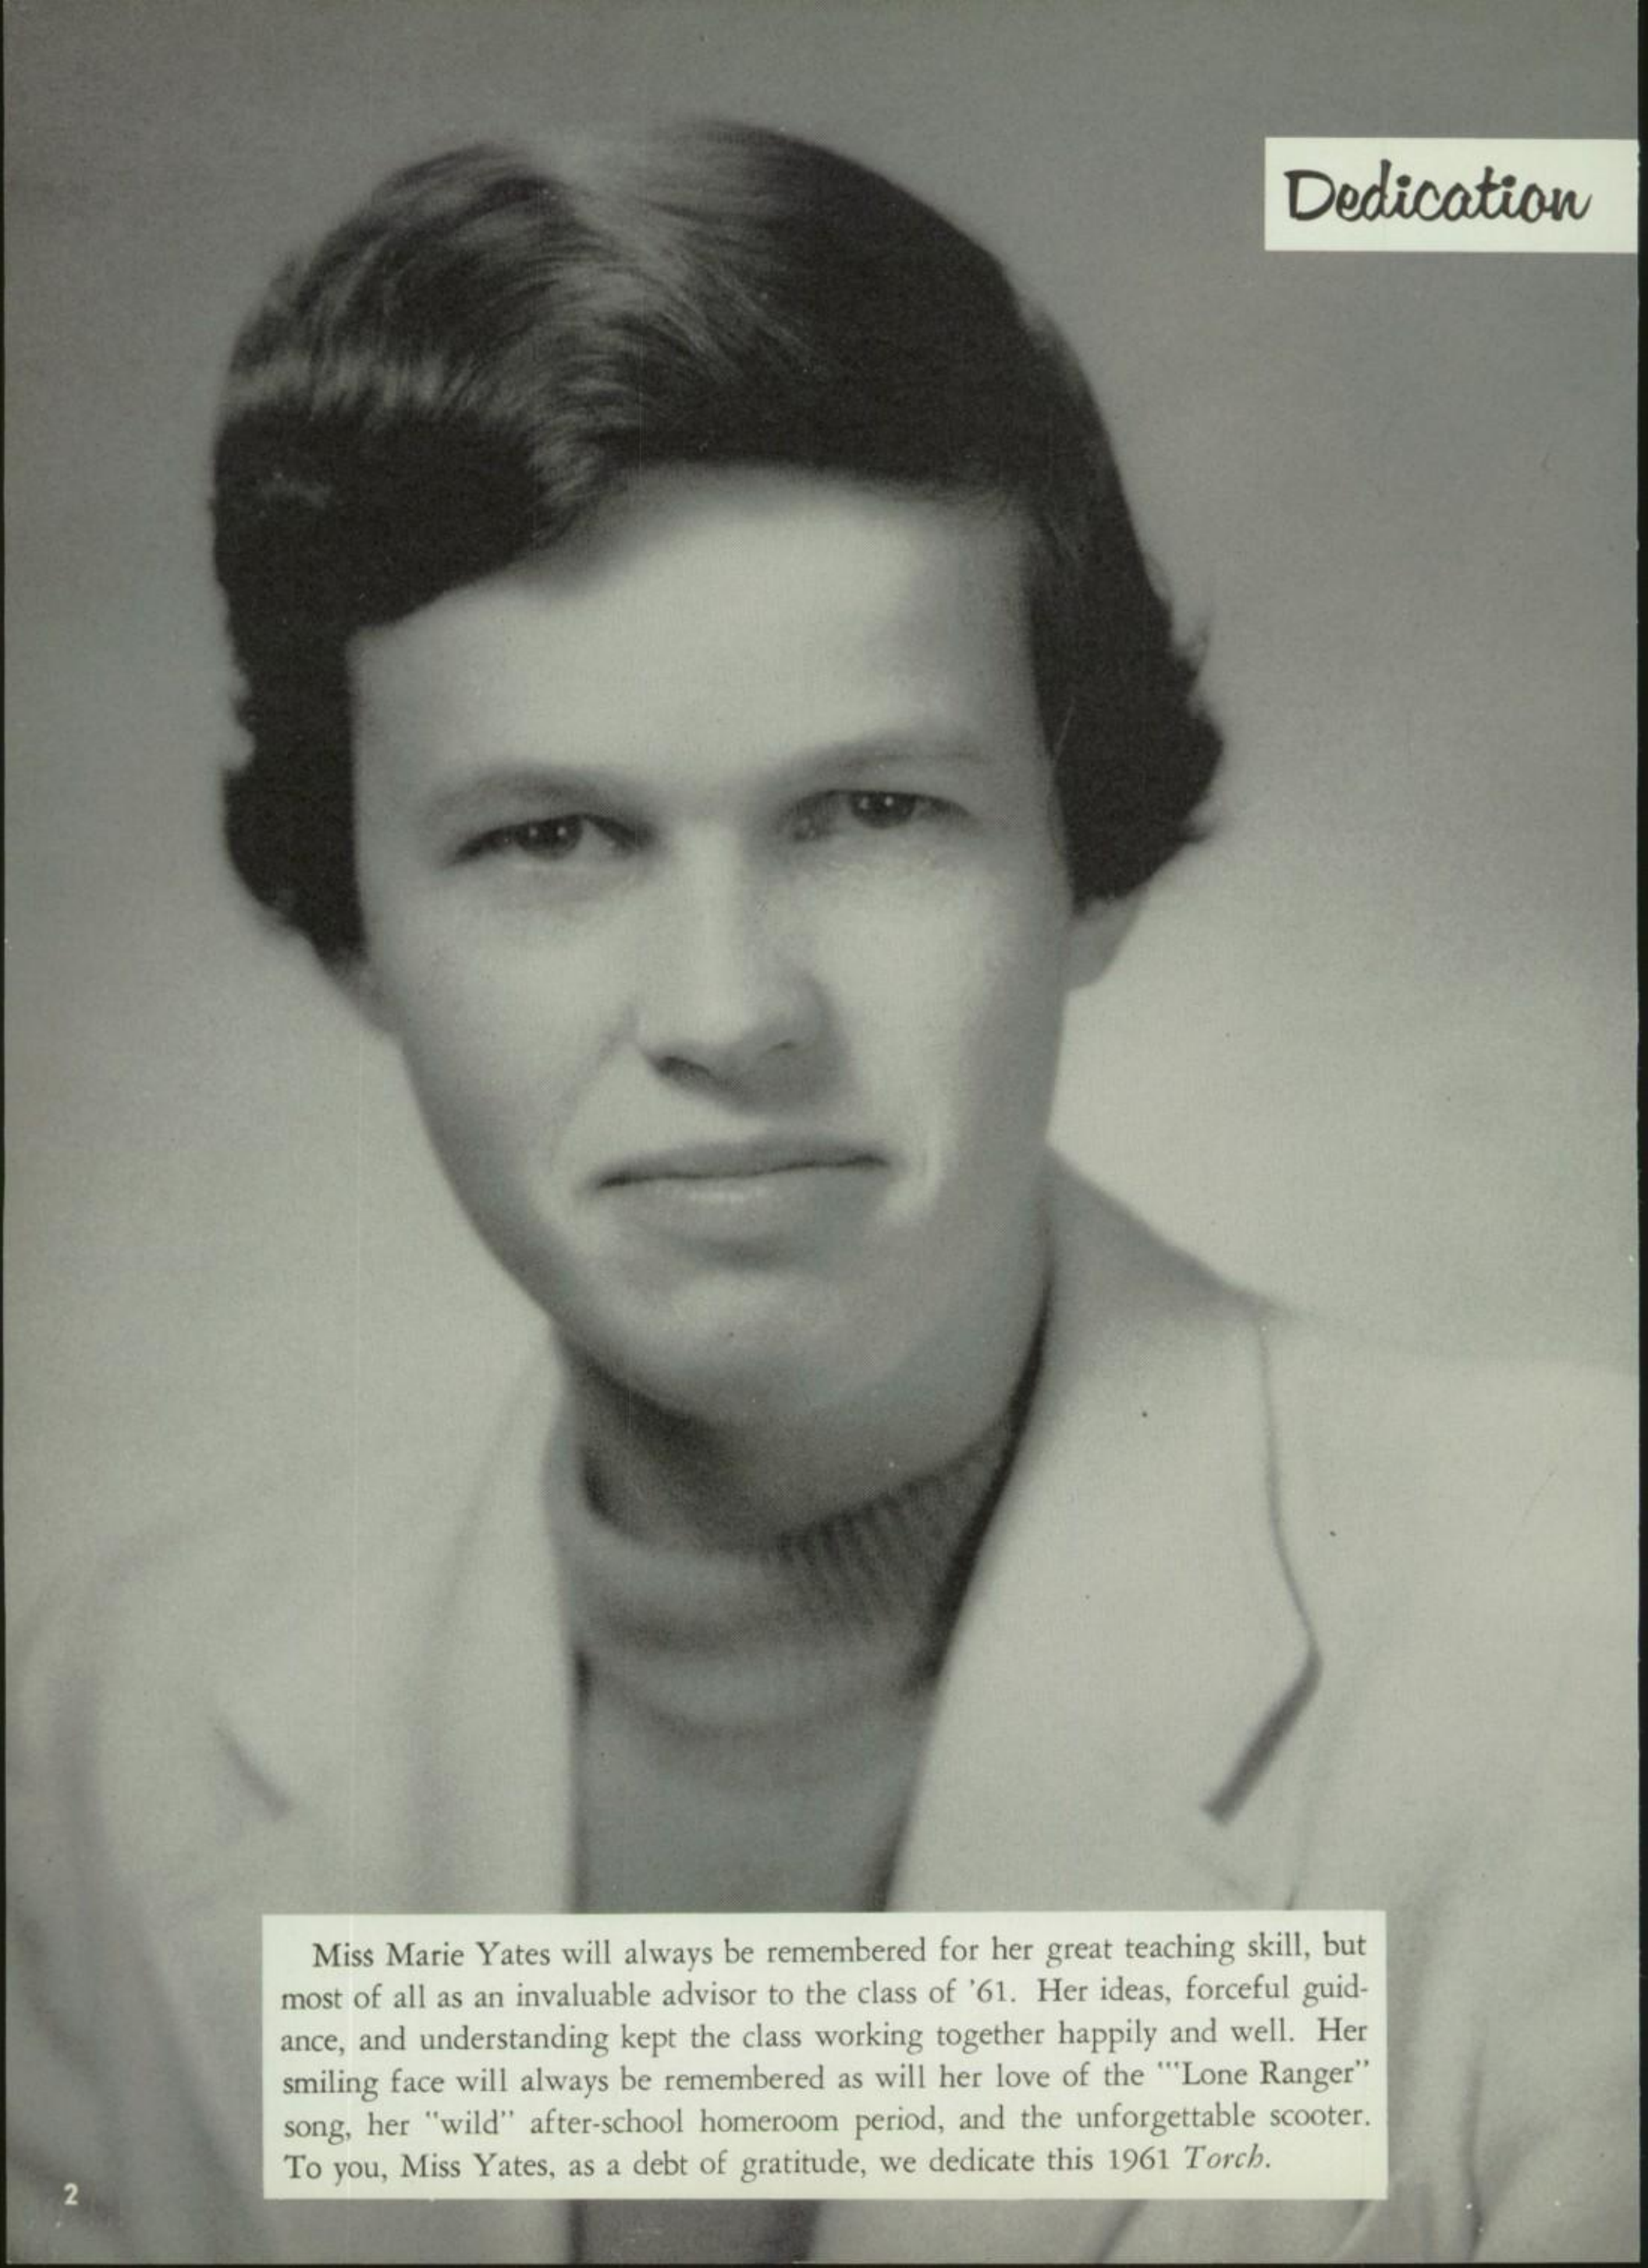
Dedication



Miss Marie Yates will always be remembered for her great teaching skill, but most of all as an invaluable advisor to the class of '61. Her ideas, forceful guidance, and understanding kept the class working together happily and well. Her smiling face will always be remembered as will her love of the "'Lone Ranger" song, her "wild" after-school homeroom period, and the unforgettable scooter. To you, Miss Yates, as a debt of gratitude, we dedicate this 1961 *Torch*.

Foreword

This is the age of space. The students as well as the teachers and administration feel the stress on advancement, particularly in science, and the uncertainty of the future. This rapid pace set by the dealings with space are reflected in our schools today. This keynotes our ambition as we now present the '61 Torch.

Board of Education

Our School Board, though we do not often see them, is right there working, looking into the future, and striving for the best for our schools.

The members hold regular monthly meetings to which the public is invited. They unselfishly give up their free time to see that we have an efficient school system.

The community elects the Board members and their term lasts three years.

William L. O'Connell
Superintendent of Schools

Mr. William L. O'Connell is constantly engaged in various duties attached to that office; yet he always finds time to talk personally with the students about their activities. His enthusiasm and interest has added to the congenial atmosphere at A. B. R. H. S.

Raymond J. Grey

Principal

Always busy, always interested, Mr. Grey keeps A.B.R.H.S. operating smoothly and efficiently. His friendly relationship with the students promotes greater school spirit.

Arthur J. Hayes

Vice-Principal

New this year is the office of Vice-principal which is aptly filled by Mr. Arthur Hayes. He successfully carries out his numerous responsibilities while maintaining the respect and devotion of the students.

Our High School Faculty

Underclassmen

Freshmen

In September of 1960 the Freshmen started the long journey through high school. Under efficient supervision of their advisor, Mr. Dadoly, and with much hard work and enthusiasm, the Freshmen sponsored "Let's Have a Party," their first dance. During the basketball season pom-poms in school colors were sold improving their treasury balance. Their success was repeated by a second dance held in the spring.

Having found the first part of their journey very exciting, the Freshmen eagerly await the next three years.

Juniors

Not quite seniors, not quite underclassmen, the juniors look back on a profitable and rewarding year.

The class with the help of Mr. James Sullivan, advisor, initiated "Around the World in 80 Days," a dance held in the fall, one following in the spring, and two food sales, thus bringing in a tidy sum to the class treasury. As is the custom, the juniors served refreshments and checked coats at the Fireman's Ball.

Early in the year, the juniors received their long-awaited class rings.

The class of '62 is the first to have two secretaries, resulting from a tie in the June elections.

They are eagerly looking forward to their senior year, the final preparation for the outside world.

Class History

As Freshmen the class of '61 elected Mary McNiff, president; Charles Derby, vice-president; Priscilla Robinson, secretary, and Carolyn MacRae, treasurer. Jan MacLean was chosen queen of the Sweetheart Dance, our first in a long list of profitable events.

Steven Bean, president of our sophomore class, along with Miss Yates, our class advisor, organized the selling of Christmas cards. We also held two very profitable dances that year but the biggest thrill came with receiving our shining new class rings.

In our junior year we sponsored four outstanding and profitable films. "The Memory Dance" and "Adventures in Paradise Dance" continued our previous years tradition of successful dances. We also sponsored the sale of refreshments at the Firemen's Ball and participated for the first time in the planning of the Junior-Senior Prom.

Our senior year was certainly our busiest and most enjoyable time at A.B.R.H.S. In the fall we took the school census and presented the "Back to School" dance. The magazine sale was not only profitable but a stiff competition between the boys and girls. The girls, who just managed to sell more magazines than the boys, were rewarded with a dinner at the Twin Trees Restaurant. We also sponsored more movies and sold refreshments at the Harvest Ball and the Policemen's Ball. Another highlight of the Senior year was the presentation of the comedy, *It's Great To Be Crazy.*

Finally the long awaited and wonderful class trip to Washington, followed by the Senior Prom, then Graduation.

It's Great to Be Crazy

The seniors, under the direction of Mr. James Sullivan, presented the comedy, "It's Great to be Crazy," by Donald Payton. This play was chosen by a special play reading committee. The assigning of parts was difficult, due to an especially large turnout of hopeful actors. However, a very capable cast was finally chosen and Carolyn MacRae was selected to be stage manager.

The plot centered around the Maxwell family and their unusual relatives and friends. Mr. Maxwell becomes bewildered by his rather notorious relatives, a few of whom appear at most inopportune moments. The Maxwell children and Mrs. Maxwell have most amusing experiences with fortune telling, boy friends, and women's clubs which add to the hilarity of the situation.

Many weeks of rehearsing and planning preceded the final performance. The scenery committee and property committee set the stage. The programs and tickets were printed, while the publicity committee directed by Priscilla Robinson informed everyone of the forthcoming production. On the night of the play the make-up committee worked feverishly to ready the actors for their performances. Each of the three performances went well. This was assured by the well rehearsed cast, stage crew and prompters. The play proved to be both profitable to the senior class and entertaining to everyone who attended.

Student Council

The Student Council, consisting of three students from each class, is concerned with problems of maintaining harmony between the students, faculty and administration.

Advised by Mr. Arthur Hayes, the student council sold candy at the basketball games, sponsored and organized the elections in June and the "Victory Hop" which followed.

To be eligible for membership, a student must uphold an average of 75% of better in every subject.

The members discuss all problems presented to them by the student body and continuously strive for a happier relationship in the school.

The three new members, Judith Hartwell, Mary Anne Ey, and Linda Morrison, take their place in the National Honor Society.

Mary Anne Ey, Linda Morrison, Judith Hartwell, Arthur Sindoris, Charles Oliver, Donna Cunningham, Bruce Bottomley.

National Honor Society

A student who has developed the qualities of leadership, scholarship, character, and service becomes a member of the National Honor Society either in spring of his junior year or fall of his senior year. The purpose of the N. H. S. is to urge students to strive for these qualities and to promote good citizenship throughout the school and the community.

At an assembly in November three new members, Mary Anne Ey, Linda Morrison, and Judy Hartwell, were inducted into the society by Arthur Sindoris, president, Donna Cunningham, secretary, Bruce Bottomley, Charles Oliver, and Alan Prowten. This year the N. H. S., under the efficient supervision of Miss Margaret Boornazian, sponsored a very successful dance. The society presented awards to deserving students at the close of the school year.

Linda Morrison lights the candle of scholarship.

Arthur Sindoris gives the oath of the National Honor Society to the three new members.

Yearbook

The *Torch* is produced each year through the tireless efforts of the yearbook staff. Many hours are spent from the deciding of the theme to the completion of the book as the staff struggles to meet the deadline.

This year, Elizabeth Custance, who was elected Editor-in-Chief, was constantly assisted by Jane Gregoritch and Julie Tinker, literary editors; Priscilla Robinson and Donna Cunningham, art editors; and Geraldine Perry and Virginia Dunlap, business editors. The editors with their staffs were advised by Miss Cremins, Miss Vattes and Miss Boornazian in the literary, art, and business departments, respectively.

Although the work seemed overwhelming at times, the members of the yearbook staff can look back at the '61 *Torch* with pride and satisfaction.

Photography Club

The year 1960-61 has been a fruitful one for the photography club under the guidance of Miss Caroline Vattes and President Charles Derby.

With the use of charts and live demonstrations, some of the topics discussed were lens construction, darkroom procedure, and flash techniques.

Each week a photo contest was held, giving the members a chance to consider the good and bad points of pictures. Colored slides were shown and field trips were taken adding to the enjoyment and knowledge of the members.

Senior High Chorus

The Senior High Glee Club, consisting of 130 members, had a prosperous and rewarding year. The director, Mr. Constantine Limberakis, was constantly engaged in improving the club. A combined Glee Club, Junior and Senior High, presented *The Messiah* by George F. Handel, December 16, 1961. In the spring some of the members of the chorus sang at the Northeastern Music Festival for the first time. This was followed by the Spring Concert, May 19, featuring the *Sound of Music*. Exchange concerts were arranged with Littleton High School and other towns of Massachusetts.

Band

In its third year the ABRHS band, 78 strong, has participated in the presentation of Handel's *Messiah* and performed in an exchange concert with Littleton. The highlight of the season occurred at the Northeastern Music Festival where the band demonstrated their skill under the direction of Mr. Constantine Limberakis. The band has been expanding rapidly and in future years will split into junior and senior bands which will perform at basketball games, pep rallies and other school functions.

Dramatics

The Dramatics Club introduces its members to the fundamentals of acting as well as to the "behind the scenes" operations. Under the direction of Mr. James Sullivan, this organization discusses stage management, play production and direction, and acting techniques. By acquiring this knowledge, the club members come to appreciate the theater more, and recognize the importance of each individual task necessary for the production of a play. Plays were read and acted out by members, after which the club discusses where gestures, enunciation, and acting of those involved could have been improved. This experience in dramatics prepared the student with valuable knowledge of this art for future work in the senior play.

Driver Training

The instructor of Driver Training, Mr. Stetson, explains the mechanical features of a car and gives the members thirty hours of classroom theory. The student learns the responsibility of driving as well as the rules and regulations of the road. The necessity of courtesy on the highways is stressed, and the student is on his way to becoming a competent and polite driver.

Tennis Club

The tennis club, under the capable direction of Mr. Wall, was directed towards improving and finding tennis talent. Due to the unsuitable weather early in the year the club was forced inside to the gym. However, with the arrival of spring the school tennis courts were put to good use. Comprised mostly of Freshmen and Sophomores, the tennis club provided an enjoyable Monday activity period.

Ski Club

To learn more about skiing, one of the most popular winter sports, and to acquire greater skills at this sport is the fundamental purpose of the ski club. This year the ski enthusiasts from "snow bunnies" (beginners) to advanced skiers have learned much from slides of various ski resorts and from actually going skiing together. Their main trip was to Mt. Sunapee in N. H. where they enjoyed a pleasant day of care-free living. They have also skied at Priest's, a nearby slope.

The members of the Future Nurses Club have taken many field trips to hospitals and nurses training schools this year. These trips have given them a deeper insight into the nursing field and have in many cases confirmed their ambitions. Under the direction of Miss Wurzbacker, the school nurse, the future nurses have had a highly successful and informative year.

The club has facilities for instruction and a complete radio station in operation which is enjoyable to every member. The club has a constitution, by-laws, and trustee Mr. Ralph Stetson who assumes the responsibilities for the radio.

The Members feel that the club provides the stimulus and encouragement needed to motivate them in a field which provides a timely future.

Rifle Club

The rifle team affords its members to increase their knowledge of firearms and their skill with a rifle. Riflery also aids its participants in other ways. It develops a good eye, steady nerves, and an ability to work under pressure. These plus the personal benefits derived by each individual participant may be put to use in other sports and activities, thus contributing to the student's general development.

Baseball - Softball

Through long, hard practices the ABRHS baseball team was prepared for a strenuous season, with such opponents as Lincoln-Sudbury Regional, Weston, Wayland, Lynnfield, Holliston, Bedford, and Ashland. The team was assured success by the return of seniors Mike Jewitt, Ted Cook, Barry Lazaro, Mike Rioux. Under the competent guidance of Coach Palavras and Captain Russell Hayward the team had a profitable season.

The call of "Batter-up!" at Acton-Boxborough was answered by a large and enthusiastic group of girls. With the leadership of Coach Stearns and Captain Joan Tuttle, many victories have been added to our excellent eight year record of 70 wins and 15 losses.

The team, under the expert leadership of Harriet Wilson, opened the season on Sept. 27 with a victory; ABRHS 4, Ashland 1. The team continued their good record by defeating Littleton 8-0 and Lunenburg 1-0. The team was later downed by Ashland 3-1, Billerica 3-1, and Bedford 2-0. The top scorer for the Varsity was Judy Hartwell. The J.V.'s defeated Chelmsford 3-0, tied Lunenburg 1-1, and Billerica 1-1. They were overpowered by Ashland 2-1, 2-1 and Bedford 4-0. The high scorer for the J.V's was Joyce Wilkes.

Soccer

The 1960 Soccer team of ABRHS, under the direction of Coach Boylen, had a schedule of eight games.

The Lincoln-Sudbury team defeated ABRHS twice by scores of 3-0 and 6-0. However, the games against Watertown were much closer. Watertown won the first contest by the slight margin of 1-0 and the two teams struggled to a 1-1 deadlock in the second game. Another competition was the Cambridge School of Weston. At our home field they defeated us 3-0 but in the second encounter ABRHS fought hard to gain a 1-1 tie. The fourth rival was Littleton. The first game was again deadlocked by a 1-1 tie but in the second game ABRHS defeated Littleton 5-1. This made the final record 1 win, 3 ties, and 4 losses.

Although we didn't have a winning season, manyof the boys gained valuable playing experience. Several of the boys, including captain David McElvein, are graduating this year, but many of the varsity players will return again next year when we look forward to a more successful season.

Varsity Basketball

In his first year at ABRHS Coach Alan Foresman led the "Colonials" out of the cellar of the Dual County League and into a respectable sixth place finish. The team had an 8 win, 12 loss season although they outscored the opposition in aggregate score and if it were not for several extremely close games this record could easily have been reversed. Barry Lazaro was this season's captain and his services along with Ross Gubser, Ted Cook and Mike Rioux will certainly be missed next year. In his only year at ABRHS Gubser was the high scorer of the team, but with four of the top seven back next season, the outlook is very promising. In addition a summer program has been initiated which will definitely help the returnees gain much experience.

Cheerleaders

A pep rally, given at the start of the season, was used to introduce the Cheerleaders whose purpose is to encourage the teams to victory and boost the spirit of the students. Captain Julie Tinker with the squad of eight regular cheerleaders and two substitutes were pert and chic in their new uniforms of blue pleated skirts and white sweaters. The blue and gold pompoms plus the new cheer "A-Rah" enhanced their effect on both the team and the students.
